THE VINEYARDS

Our 2003 Napa Valley Chardonnay is produced from selected vineyards in the Carneros region of Napa County. The cooler climate in this region produces grapes of exceptional quality that allow us to create wines with bright and intense flavors.

WINE NOTES

This classic rich and buttery Chardonnay is ripe with masses of tropical fruit. Aromas of Asian and Bosc pears, nectarine and jasmine on the nose, are balanced with toasty oak. A soft supple entry leads to a full, textured palate and a spicy lingering finish.

FOOD AND WINE PAIRING

Try grilled Hawaiian style Mahi-Mahi topped with mango chutney or oysters poached in white wine to pair with this Chardonnay.

On-premise/restaurant: \$35-60

Off-premise/retail: \$15-30
