

5 STAR RATING

“Martin Ray is one of my favorite wineries in the Sonoma/Russian River area. There is no snobby attitude here – and the winos at the tasting room are very down to earth and friendly. Specially props goes out to Wendi Hawn who is the manager at the winery. They have many good value wines that range from 10-25 dollars. My favorites however are their reserves. YUMMY. Try the Sonoma reserve, Diamond Mountain reserve, or the Santa Cruz Mountains Reserve – these are all cabs by the way. Big bonus of savings when you join their wine club.”
