Greetings Legacy Club Members!

Winter has dug its heels in at Martin Ray, with thick and mysterious fog shrouding the winery when we arrive in the morning and darkness surrounding us when we leave in the evening. After all of the activity of crush, these days seem unbelievably quiet as the wine ferments, the gardens are dormant and the last of the tourists visit the Tasting Room.

We are not hibernating, however! Winemaker Bill Batchelor is nurturing the 2010 harvest, creating wines that will be more layered and complex than ever before. The Tasting Room is being continuously improved and altered to be as accommodating as possible. As for the Legacy Club, I am excited to say the 2011 shipments will contain more limited edition wines than ever before and, for the first time ever, will have a few of their own wines.

This year we will also continue the tradition started in 2010 of hosting parties when the shipments are released. We love getting to know all of you better, and you seem to love tasting the wines in your shipments without having to open your own.

After you enjoy this Spring shipment, you can look forward to receiving your Summer shipment in mid-May, your Fall shipment in mid-August and your Winter shipment in mid-November.

Please remember that there are three types of Legacy Club memberships: Red/White; Red Only (Angeline, Martin Ray and Courtney Benham wines) and Cellar Selections (Martin Ray Reserve Wines). If you receive 2 bottles in each shipment, you receive a 20% discount on all purchases, if you receive 4 bottles in each shipment you will receive 25% off of every purchase and members who receive 6 or more each season enjoy a 30% discount. These discounts apply to sale wines and merchandise as well!

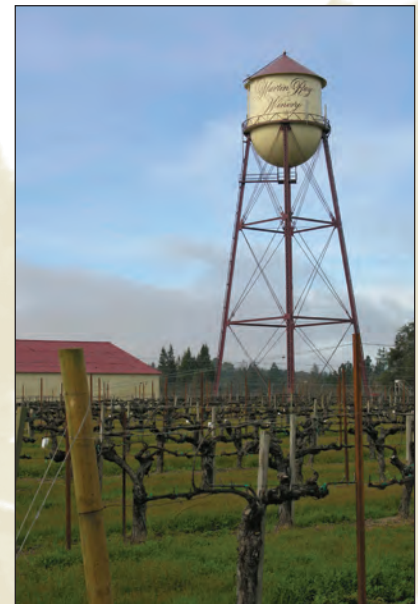

If you have any questions about your Legacy Club membership, want to make any changes to your account or wish to share your thoughts with us, please don't hesitate to contact me.

CHEERS!
