

Red.

2009 *Red.* California

Alcohol: 13.9%

Total Acidity: 0.63

pH: 3.60

Varietals: 48% Carignane, 28% Cabernet Sauvignon, 10% Syrah,
10% Zinfandel & 4% Merlot

Wine Notes:

This hearty 750ml wine is a blend of varietals selected from vineyards predominantly in Mendocino County, and a small portion from Dry Creek and Napa Valley. This food friendly, quaffable wine is bursting with ripe fruit flavors and packaged in a chic and stylish little bottle that is perfect for all occasions. *Red.* is a creative spin on an old tradition, recreated in a modern and flashy new package. This bright violet, ruby colored wine has lively aromas of raspberries, lush cherries and bramble. Full of bright, juicy berry-driven flavors highlighted by soft oak and finishing with mild tannins and a whisper of cherries and leather. Aged for 12 months in French & American oak barrels.
